The Educards Project

Implementing the European Student Card among the EDUC Alliance

In the spirit of the digital alliance and innovative approach, the Educards project implements the European Student Card (ESC) to the universities in the EDUC consortium, as a new additional step to digitize all administrative procedures related to student mobilities.
The project timeline

- **Sept. 2019 - Sept. 2020**
  - Inventory of current cards
  - 3 days practice exchange

- **Sept. 2020 - Sept. 2021**
  - Work on collaborative implementation of the ESC *1
  - 3 days practice exchange

- **Sept. 2021 - August 2022**
  - Creation of a user manual for students *2
  - Analysis, observation and optimisation *3
  - 3 days practice exchange
  - Final event

**Intellectual Outputs**

- *1 Methodological framework for the implementation of the ESC
- *2 Student practical guide of the use of the ESC
- *3 Report on the 1st year of implementation

**Distribution of the ESC**
- Start of the school year 2021

**Experimentation**
